

FLOOD SAFETY TIPS

 When a flood or flash flood warning is issued for your area, move to higher ground and stay there

 Do not walk through flowing stream of water

 Stop, turn around and go another way

 Just 6 inches of moving water can knock you down

 Do not drive through flood waters

 Just 2 feet of water can sweep your vehicle away

 If floodwaters rise around your car but the water is not moving, abandon the car and move to higher ground

 Do not leave the car and enter moving water
