Dear Jasjit and Members of the Glen Rock Gurudwara,

On behalf of our guests and community, we would like to thank you for partnering with United Sikhs to provide such an extremely generous donation of much needed items: 96 twin comforters, 23 pairs of men's/women's flip-flops, 9 pairs of men's boots and 6 pairs of women's shoes. What makes this donation so very special is that you took the time to ask us what we really needed. As our guests leave the shelter for permanent housing, they will be given a comforter for their new home. Many people arrive at the shelter badly in need of shoes- an item that is rarely donated- and your generosity has enabled us to provide shoes for many of our residents and community guests.

Your compassion and generosity supports the Center and its guests in the daily effort toward rebuilding lives and regaining hope. The work that we do here at the Center mirrors the Gurudwara's commitment to serving those less fortunate by providing food and services, and by building strong community relations. We are very honored that you chose the Center for such a gracious donation.

Respectfully,

Julia Orlando
