

## CORONAVIRUS ADVICE FOR GURDWARAS

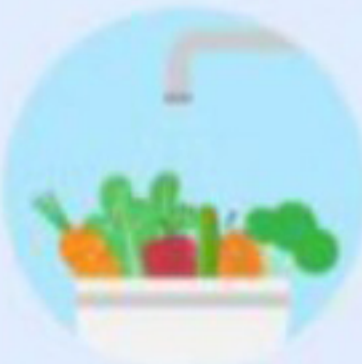

Increase cleaning schedules in Darbar hall, kitchen, langar hall, toilets, reception and jora ghar.

Avoid cloth towels, check daily and top up for soap, provide sanitizer gel in kitchen, reception, outside Darbar hall, langar hall, jora ghar, provide extra bins for disposal.

Provide and encourage sangat to use paper towels and tissues in all areas of Gurdwara especially to catch coughs and sneezes.

Ensure dishes are washed thoroughly in hot water or ensure disposables are binned as soon as possible.

Karah Parshaad should be distributed after thoroughly cleaning the hands with soaps and water.

Display coronavirus prevention information on notice boards, langar hall and other areas of high traffic.
